

LED Light Box - Glossy Black Frame (FL-03)

Our CSA-approved Glossy Black Frame light boxes are among the thinnest frames in our catalog. Powered by our trademark, innovative power-saving technology, these acrylic frames are ideal to promote your business or to brighten up your home. These versatile light boxes can be used just about anywhere and are available in counter top sizes as well.

Graphics can be easily changed by unscrewing the screw caps from all four sides and sliding the images between the two acrylic panels allowing for a stress-free and easy to use operation.
