

LED Light Box - Magnetic Frame (MF-02 - Single-Sided)

Our CSA-approved Magnetic Frame light boxes provide a modern take on display frames. Powered by innovative, power-saving technology, these silver array aluminum frames are a great way to promote your business or brighten up your home. These slim light boxes are one of the more stylish designs available on the market and combined with its low-profile delivers a stunning and sleek look. Graphics can be easily changed by using a simple suction cup (in box) allowing the user to pull open the front panel to change images with ease.
